ORDER

THIS MATTER is before the Court on defendant's pro se Motion to Dismiss, Terminate Supervised Release. (#17). As Defendant notes, he is in custody while waiting for a hearing on revocation of his supervised release.

Defendant's motion is **DENIED**. The fact that Defendant has been held in custody for what he contends is an unreasonable amount of time waiting for his revocation hearing is not a ground to terminating his supervised release or for dismissing the pending petition on supervised release revocation.
